

A vibrant spring-themed illustration. At the top center is a large, bright yellow sun with rays. The scene is framed by two large trees with green leaves on the left and right sides. Several colorful butterflies (blue, orange, purple, green) are scattered throughout the sky. At the bottom, there is a grassy field with various colorful flowers and two cheerful white Easter bunnies, one on the left and one on the right, surrounded by several decorated Easter eggs in various colors and patterns.
